

YASHKIRTI RAJ

Front-End Developer

A: Howrah, West Bengal, India

P: (+91) 8804092254

E: yashkirtiraj10@gmail.com

OBJECTIVE:

Detail-oriented Front-End Developer with 4 years of experience building responsive, accessible, and high-performance web applications using React.js, TypeScript, and modern JavaScript. Skilled in delivering scalable UI architectures, optimizing user experiences, and collaborating in Agile teams. Seeking to contribute frontend expertise to build seamless, user-centric digital products.

SKILLS:

- **Frontend:** React.js, TypeScript, JavaScript, HTML, CSS
- **State Management:** Redux, Context API
- **Backend:** Node.js, MySQL
- **Tooling & Platforms:** Git, GitHub, VS Code, Jira, Figma, Adobe XD
- **Performance:** Code-splitting, Lazy loading, Optimizations
- **Best Practices:** Agile/Scrum, Responsive Design, Accessibility (WCAG), Component Reusability

WORK EXPERIENCE:

Front End Developer

March 2021 – Present

Tata Consultancy Services, Bangalore

- **Built scalable React apps** for support centers, payments dashboards, and admin portals **with full accessibility (WCAG)**.
- Migrated and Redesigned Angular based Payment dashboards and Support Center web applications for **one of the top 5 banks in US** to React + TypeScript, **reducing load time by 30%**.
- Payment dashboards web application:
 - **Led UI redesign for payments dashboard**, collaborating with designers and backend teams to ship a modern, responsive interface — **boosting customer engagement by 20%**.
- Support Center web application:
 - Developed a searchable self-service support UI that **reduced tickets by more than 20% and boosted self-service by 25% with a categorized React UI**.
- **Integrated REST APIs for real-time merchant data visualization** across custom financial dashboards.
- Translated Figma/Adobe XD designs into **pixel-perfect, responsive interfaces across platforms**.
- Developed reusable component libraries to ensure **design consistency and speed up delivery**.
- **Collaborated in Agile sprints** with backend, QA, and design teams for **end-to-end delivery**.

Additional Projects & Community Contributions:

Senior Member – XDA Developers

Open Source Contributor | Android UI Customization

- **Created and deployed a custom version of Android System Notification Toggles, enhancing UX and accessibility** on rooted devices.
- **Helped 50+ users troubleshoot and implement the mod through active support**, updates, and community engagement **which received 36,000+ views and 110+ replies**, reflecting strong adoption and feedback from the XDA community.

AWARDS:

- Awarded Service & Commitment Award, Awarded on the Spot Award.

EDUCATION:

Bachelor in Information Technology

2016 – 2020

St. Thomas' College of Engineering and Technology,
(MAKAUT), Kolkata
